

Full Management Team Meeting (13 December 2006)

Item 3.2 – Establishment of Intra Council Community Development Committee

ISSUE

The establishment of an Intra Council Community Development Committee in order to provide an integrated approach to community development within Council and to ensure the continued success of Golden Plains' Community Development Program.

DISCUSSION

The establishment of an Intra Council Community Development Committee has developed from an identified need to improve the systems and processes within Council to enable an integrated approach to community development.

Representation on the Committee would consist of all Managers and Directors and the CEO. Where appropriate the additional attendance and input from the Community Development Team Leader and external facilitator will be requested. Terms of Reference outlining the objectives of the Committee and meeting frequency is attached.

The work that would be undertaken by this Committee is consistent with the role of the FMT as outlined in the FMT charter.

There are two options to consider:

1. That the role of the Intra Council Community Development Committee be integrated into the Full Management Team Meetings when required.
2. That the Intra Council Community Development Committee become a stand alone committee that will meet, when required.

COST IMPLICATIONS

Nil

RESOLUTION

1. *That the composition of the Intra Council Community Development Committee will consist of all representatives of the Full Management Team.*
2. *That the role of this Committee, as outlined in the attached Terms of Reference, be integrated into the Full Management Team meetings as required.*
3. *That where appropriate, additional attendance and input from the Community Development facilitator and the Community Development Team Leader will be requested.*

ATTACHMENTS

1. Terms of Reference for the Intra Council Community Development Committee
