

# Growing Suburbs Fund

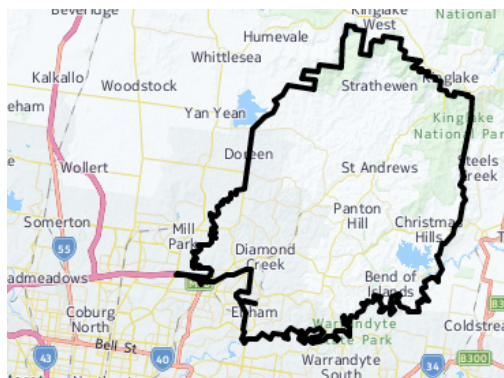

The Growing Suburbs Fund is providing much needed funding to help interface councils deliver new local infrastructure. The \$150 million investment is making a big difference in the day-to-day lives of outer suburban families by meeting critical local infrastructure needs for communities in Melbourne's diverse and fast-growing outer suburbs.

## Research Park Pavilion Redevelopment

137 Main Road, Research, Victoria 3095

**NILLUMBIK SHIRE COUNCIL**

### NILLUMBIK SHIRE

Nillumbik Shire is located 25 km north-east of Melbourne. It is predominantly urban and is a designated green wedge. It is susceptible to the impacts of climate change, particularly bush fire because of its high concentration of native vegetation and topography.

Victoria in the Future, 2014 <http://profile.id.com.au/nillumbik>

### PROJECT DESCRIPTION

Funding from the Growing Suburbs Fund will help improve the opportunities for female participation in sport in Nillumbik Shire by upgrading the existing Research Park Pavilion.

The existing pavilion will be redeveloped to provide:

- The addition of a second story to increase floor space
- Two additional change rooms to cater for female participation in cricket and AFL
- Upgraded umpire change rooms; and
- An accessible toilet on the ground floor of the pavilion

This project will improve a valuable community sporting asset and provide the opportunity for greater participation by community members.

**Expected completion: Mid 2018**

**Growing Suburbs Fund: \$650,000**

**Other Contributions: \$610,000**

Other projects in Nillumbik Shire to receive funding from the 2016/17 Growing Suburbs Fund are:

- Civic Drive Precinct Community Facilities Development (\$950,000)
- Edendale Community Environment Farm Infrastructure Enhancement Project (\$500,000)
