TRUCK CURFEWS LIFTED UNTIL MIDNIGHT 27 JULY 2021

The Victorian Government has extended the lifting of truck curfews to support quicker deliveries to Victorian pharmacies and supermarkets during the current COVID-19 restrictions.

Heavy vehicles can pass time-based curfew "no trucks" signs when making grocery deliveries to supermarkets or personal hygiene products to retail outlets.

In addition, the announcement removes time limits on delivery vehicles parked in loading zones while they are stopped to drop-off or pick-up goods.

Heavy vehicles can also remain in loading zones for the time required to make these deliveries.

The National Heavy Vehicle Regulator is monitoring and enforcing compliance in curfew areas.

The Department of Transport continue to work with local government, communities and industry to ensure truck curfews are not enforced on Victorian roads during the exemption period.

The truck curfew exemption is in place until 11:59pm on 27 July 2021.
