### PROJECT DESCRIPTION

Sunbury is an established community that is undergoing transformation with an aging population and an influx of younger households attracted to the area. This is increasing the demand on existing facilities such as the Sunbury Aquatic and Leisure Centre. The addition of a warm water pool will cater to the demand for warm water rehabilitation and free up space in the existing pools for more learn-to-swim classes and recovery for local sporting clubs.

The Growing Suburbs Fund is contributing \$2 million to the new 15m x 12m Warm Water Pool.

The Sunbury Warm Water Pool will form a new pivotal stage in the redevelopment of the Sunbury Aquatic and Leisure Centre.

**Expected Completion: Late 2017**
