Yarra Ranges Shire Council is located in Melbourne’s outer east between 30 and 110 km from the Central Business District. It covers an area of 2,470 km$^2$. Around 70 per cent of the Council’s population live in the urban areas, which represent approximately three per cent of its landmass to the west of the municipality. The remaining population is distributed throughout rural areas. The municipality is home to significant natural reserves and boasts popular tourist areas such as the Dandenong Ranges and the Upper Yarra Valley.

Yarra Ranges is part of the interface council area and recorded a growth rate of 1.1 per cent in 2017. The population is forecasted to grow from 157,000 in 2017 to about 170,000, or 8 per cent, by 2031.

The Growing Suburbs Fund is a contribution towards meeting critical local infrastructure needs for communities in Melbourne’s diverse and fast-growing outer suburbs. It is positioned to quickly respond to the pressures being experienced by interface communities by bringing forward local infrastructure projects that will make a big difference in the day-to-day lives of outer suburban families.

The Ridgewalk
Dandenong Ranges and surrounds

Background: The Growing Suburbs Fund will help Yarra Ranges Shire Council to deliver a 26 km cultural heritage walking and cycling trail and associated infrastructure in the Dandenong Ranges. This cultural experience will connect townships and establish new spaces for education, cultural expression and social gathering. It will provide art and landscaping reflective of the Dandenong Ranges along the trail through architectural nodes, artworks, heritage interpretation and signage.

The 26km trail will connect townships through the hills, and lead people through natural sites with heritage interpretation, art and sculpture. New spaces will be established for education, cultural expression and social gathering.

The route will include connections and upgrades to existing tracks, as well as the development of new ones. The current draft route has multiple entry points, and connects Upper Ferntree Gully, Upwey and Belgrave to Montrose, Mt Evelyn, through Ferny Creek and Sassafras, Olinda, Mount Dandenong, Kalorama, Kallista and Sherbrooke.

**Expected date of commencement:** August 2019  
**Expected date of completion:** December 2021  

**Total Project Cost:** $9,800,000  
**Growing Suburbs Fund:** $2,000,000  

**Other contributions:**  
- Yarra Ranges Shire Council $2,800,000  
- Australian Government through the Department of Infrastructure and Regional Development $2,500,000  
- Building Better Regions Fund (TBC) $2,500,000.

**Other projects in Yarra Ranges Shire Council to receive funding from the 2018/19 Growing Suburbs Fund are:**  
- Yarra Valley Trail (GSF $2,500,000)  
- Warburton Mountain Destination (GSF: $3,000,000)  
- Esther Park Synthetic Soccer Pitches (GSF: $1,250,000)  

Yarra Ranges Shire Council received a total of $8.75 million for four projects under the Growing Suburbs Fund 2018 – 2019.

Growing Suburbs Fund contributes to a mix of infrastructure projects that have a direct benefit to communities living in the outer suburbs.
