

Growing Suburbs Fund

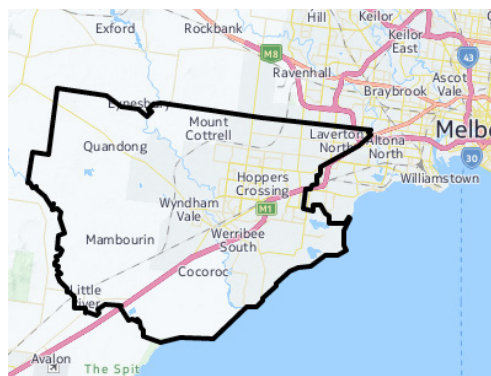

The Growing Suburbs Fund (formerly the Interface Growth Fund) is providing much needed funding to assist interface councils in the task of delivering of new local infrastructure. The initial \$50 million investment in 2015-16 will make a big difference in the day-to-day lives of outer suburban families by meeting critical local infrastructure needs for communities in Melbourne's diverse and fast-growing outer suburbs.

WYNDHAM CITY COUNCIL

PROJECT DESCRIPTION

Wyndham Vale is a growing community in Melbourne's western growth corridor. In recognition of the important Aboriginal links to the area the new Wyndham Aboriginal Community Centre will be designed and built to meet the important cultural needs of the local community.

The centre will be designed to ensure that the centre is a contemporary space that is designed in collaboration with the Aboriginal Community and the needs of the community are met through a range of activities and programs.

The Wyndham Aboriginal Community Centre will also increase and promote community engagement, by offering a variety of social interaction opportunities.

Expected completion: late 2018

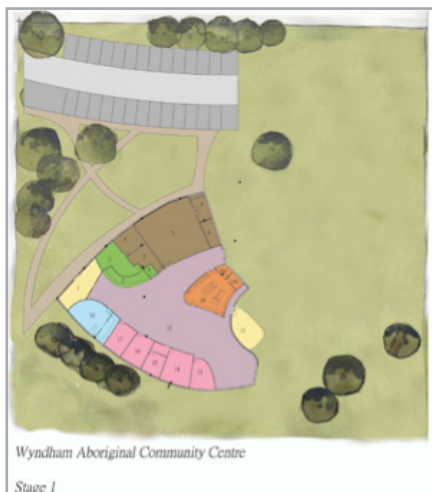

Growing Suburbs Fund: \$1.5 million

Other Contributions: \$4.5 million

WYNDHAM CITY COUNCIL

Wyndham is located on the south-western fringe of Melbourne with Werribee at its commercial heart. The city is a major horticultural area for Melbourne as well as a designate growth area, currently ranked the third fastest growing local government area in Victoria¹.
