

# Growing Suburbs Fund 2020-21 Round 2

The Growing Suburbs Fund is a contribution towards meeting critical local infrastructure needs for communities in Melbourne's diverse and fast-growing outer suburbs. It is positioned to quickly respond to the pressures being experienced by interface and peri-urban communities by bringing forward local infrastructure projects that will make a big difference in the day-to-day lives of outer suburban families.

## Melton City Council

Melton City Council is located approximately 40 kilometres west of central Melbourne and is one of the fastest growing interface councils.

In 2018, Melton City Council had a growth rate of 5.4 per cent compared with the national average growth of 1.6 per cent. It is anticipated that Melton's population will more than double between 2018 and 2036<sup>1</sup>.

Strong residential growth is expected to continue, with a number of new suburbs such as Aintree, Fraser Rise and Hillside currently under development.
