Dear Mr Morrison

Re: Victoria Grants Commission Submission

I have enclosed a submission to the Victoria Grants Commission from the Glenelg Shire Council relating to the impact of timber haulage on the local road network.

The significant growth expected in timber haulage will heavily impact the road network as well as the Victorian Economy. Therefore appropriate consideration of the funding required by Local Government to be able to deliver and maintain our infrastructure needs to be addressed.

Should you wish to discuss this submission further please contact Paul Healy, Director Assets by phoning (03) 5522 2228 or email phealy@glenelg.vic.gov.au.

Yours sincerely

Per

Chief Executive Officer
