

# Local Government Victoria Bulletin

**BULLETIN: 09/2021**

## **LUNAR NEW YEAR**

As we prepare to celebrate Lunar New Year, we are asking for your help to ensure everyone has a happy, prosperous and above all safe New Year. The attached information pack includes a social media post, audio message and poster for you to share to help make that happen. It also includes links to materials that have been translated into a range of languages including Chinese, Korean and Vietnamese.

Please remind your community leaders and networks to check the latest restrictions and celebrate outside where possible. Businesses should review and update their COVIDSafe Plans and [register for the Victorian Government's QR Code Service](#) if they have not done so already. Electronic record keeping is strongly recommended to support contact tracing.

Thank you for your assistance and we wish everyone a happy, prosperous and safe Lunar New Year.

Regards

**Hannah Duncan-Jones**  
**Acting Executive Director**
