RETURN TO OFFICE WORKPLACES GUIDANCE

The previously announced increase of the current return to work cap - to 25 per cent for Victorian public service workers and 50 per cent for other office workers on January 11 - has been paused, based on the latest public health advice.

The phased return to offices continues to be subject to the public health advice and further updates will be provided when available.

[Guidelines and frequently asked questions](#) are available at coronavirus.vic.gov.au.
