

Growing Suburbs Fund

The Growing Suburbs Fund is providing much needed funding to help interface councils deliver new local infrastructure. The \$100 million investment is making a big difference in the day-to-day lives of outer suburban families by meeting critical local infrastructure needs for communities in Melbourne's diverse and fast-growing outer suburbs.

Community Facilities Solar Photovoltaic Roll-out

This project will be rolled out in 32 locations across the municipality.

WHITTLESEA CITY COUNCIL

PROJECT DESCRIPTION

Funding from the Growing Suburbs Fund will be used to provide solar power systems to Council owned, community run kindergartens and community centres.

This project will improve the environmental sustainability of existing buildings. Associated savings will be used to supplement existing programs and fund additional programs providing better outcomes for the community.

Expected completion: Late 2017

Growing Suburbs Fund: \$200,000

Other Contributions: \$200,000

Other projects in Whittlesea to receive funding from the 2016/17 Growing Suburbs Fund are:

WHITTLESEA CITY COUNCIL

The City of Whittlesea is located approximately 20 km north of Melbourne's central business district. The southern parts of the city are well established urban areas while the north remains rural. Whittlesea is home to an ethnically diverse population, with approximately 34% of residents born overseas.

Residential developments are extending towards the north of the municipality and the City of Whittlesea is expected to grow from around 202,000 residents to almost 380,000 residents by 2041¹.
