Growing Suburbs Fund 2022-23

The Growing Suburb Fund (GSF) is a \$425M contribution to support the delivery of high priority community infrastructure projects for Victoria's diverse and fast-growing outer suburbs. Designed to support the existing and future local infrastructure needs of Melbourne's interface and peri-urban communities, the GSF brings forward local infrastructure projects that are essential to the liveability of outer suburban families.

Moorabool Shire is located in south-western Victoria, about 80 kilometres west of the Melbourne CBD and borders the City of Ballarat to the west.

Known as one of Victoria's peri-urban councils, the area recorded a growth rate of 2.7% in 2019-20¹. The current population of 36,013 is expected to grow to 49,939 or 38.7% by 2036^2 .

Victoria's population growth slowed during the pandemic period with the impact over this time mainly felt in the inner and middle suburbs of Melbourne; regional areas were less affected due to increased migration from Melbourne. Based on the latest available data, areas across Victoria are now expected to return to normal rates and patterns.
